GENERAL NEWS

Apologies for the brevity of this newsletter, but things have been really busy here following a review of three of our kits in Dolls House and Miniature Scene Magazine. We have also been testing more new yarns, which will be available soon.

There are some new items available in the web shop including a 1/12th scale crochet pattern, some more ready made items and a new rug kit. More details can be found below.

We have moved the Ready Knitted and Crocheted items away from the knitting and crochet patterns, as this was causing confusion to some customers. These Ready Made items can now be found under 'Dolls House Accessories' at:

ARTICLES IN MAGAZINES

Dolls House and Miniature Scene have reviewed three of our little kits this month. Further details of this can be found on our blog pages at
<http://store.buttercupminiatures.co.uk/newsblog/?p=82>

The kits that were reviewed were the Love Letter Kit, Cheque book kit and the Pearl necklace kit. All three kits were given a very favourable review by Ann Sutcliffe who tested them.

In next months issue of Dolls House and Miniature Scene another one of our 1/12th scale miniature knitting patterns (for smocked cushions) will be published, the magazine goes on sale at the end of July. The pattern will also be available from us in kit form (once the magazine goes on sale), for those of you who are unable to locate the magazine.

1-PLY COTTON YARN

At last we have sourced some good quality 1-ply cotton. This is very similar to the DMC Flower Thread which was discontinued some years ago, being much softer than the DMC Broder Special No 25

We are now able to offer the Knitted bedspread kit (KK 4) with a cotton yarn option on our webshop. (Make sure you select the yarn type and colour from the drop down boxes or you will be sent our choice)

This 1-ply cotton will be on sale on our web shop very soon. Colours will include: white, Ecru, sky blue, lilac, green, misty pink and peach.
